COMPANY PROFILE

Mersin Marina Construction Industry Trade INC. Has been founded by 19 partners in 1995 to develop the biggest residence complex in Mersin and has been growing since. Our latest enterprise Muscat City Marina, Umman is founded in 2020.

As Mersin Marina always aims to be a pioneer, to be well respected and strong while creating difference maker projects, it is also the company's goal to create win-win situations while having the highest regard for ethical practices.

While Mersin Marina Construction continue to build and develop residence and hospital buildings, in 2006 from its own body created MASDEKOR Furniture Co and MARINA BOTANIK Landscaping Co. Still to this day these companies have been providing the national and international customers with products. These companies also have high standarts and aim to be difference makers in their respective fields.

Mersin Marina Construction Company aims to develop environmentally conscious projects while benefiting the national architecture culture of the countries. Customers satisfaction is in the eye of our main philosophy.
